

# Position: Sanitation Enhancement Technician II

**Location:** [Insert Location Here]

**Hours:** [Insert Shift Details Here]

## About the Role:

We are seeking a proactive, detail-oriented Sanitation Enhancement Technician II to execute end-to-end custodial functions within a multi-stakeholder, high-traffic facility environment. The incumbent will operationalize cleanliness protocols in alignment with company benchmarks and hygiene optimization matrices.

## Key Responsibilities:

- Utilize chemical sanitation solutions to ensure sterility across spatial zones
- Conduct autonomous workflow prioritization in accordance with strategic cleanliness mandates
- Uphold adherence to regulatory hygiene policies through periodic evaluation and documentation
- Collaborate with environmental operations personnel to drive cleanliness outcomes
- Lift and relocate heavy inventory up to 50 lbs as part of routine operations

## Required Qualifications:

- High School Diploma or equivalent *required*
- *Minimum* of 2 years of **Canadian** janitorial or cleaning experience
- Fluency in English (spoken and written) mandatory
- Valid **Class 5 Driver's License** and access to a reliable vehicle
- WHMIS certification *required*
- Must be available for flexible hours and shift work (hours TBD)

## Preferred Assets:

- Previous experience in a sanitation-focused industry in Canada
- First Aid certification considered an asset

## To Apply:

Submit your resume and a cover letter outlining your Canadian experience and qualifications. Only candidates selected for an interview will be contacted.
